We have included the meeting minutes from the annual meeting in July in a separate attachment. For ratings updates, please send the information to Wendy and she will forward to the USFA.

Please see the attached .pdf documents showing the division tournament schedule for this season. Each form contains the calendar for three to four months. Please check askfred as quite a few tournaments are already posted.

Since the annual meeting, the board has had a lengthy discussion on the prepayment option for tournaments. The board decided to try this option at each “qualifier” tournament. The first one is Junior Olympic Qualifiers which is being held on December 13, 2009 at South Denver Fencing Academy. This tournament is already posted on askfred. Please check askfred for the process to prepay and remember the deadline to register is two weeks prior to the event.

A reminder to all fencers to please be courteous and thoughtful to the tournament organizers and their fellow fencers by canceling their registration as soon as they know they will not be attending the event.

We are working diligently on getting the website back up and running. Please be patient with us as we work to get it as efficient as possible. In lieu of the results on the website, please find the results of the first few tournaments and Friday Night Fights below.
